“ Bugs?
You don't
need no
stinkin'
bugs. ”

UN-stick it to bugs & road grime. Every time.

Lou's 222 Bug Guard is an advanced, easy to use liquid form protectant. Use Lou's super-slippery bug guard to protect, prevent and seal your metal or paint surfaces from stubborn sticky bugs, road grime and dirt. Lou's 222 Bug Guard can also be used as a surface protectant in Canada's tough winter conditions, protecting against the damaging effects of excessive calcium deposits, salt and road spray. De-bug your vehicle – effortlessly – with Lou's 222 Bug Guard.

For best results, use Lou's 222 as directed. Always read and follow the label instructions.
