Show-stopping, show-winning shine. Every time.

Love your paint.

Lou's Blue Detailing Polish is an advanced easy-to-use liquid detailing polish which cleans, polishes and seals your paint to a resilient finish and an extraordinary shine. Lou's Blue effectively cleans painted surfaces to look better-than-new and leaves a durable, long-lasting protective coating. Lou's Blue works effortlessly and beautifully on all automotive metal or plastic painted surfaces including oxidized paint, and can effectively protect new paint. If beauty is in the details, then it starts with Lou's Blue.

For best results, use Lou's 222 as directed. Always read and follow the label instructions.
